BOARD OF EDUCATION IN SESSION

It is with great pleasure we dedicate our 1937 Blue and Gold
to the Board of Education of the Grand Haven Public Schools.

Grand Haven in Miniature

IN MEMORIAM
ALPHONSO JOHN FORTINO
BORN January 26, 1920. DIED January 6, 1937

"AL"

A noble youth has left our midst,
To take his place above.
To share in heavenly happiness
In God's presence and His love.

His morals and fine character
Were of the very best,
He lived a good clean life on earth
And now in peace he rests.

He played the game both hard and clean
He fought the valiant fight,
And in his passing, let us make
Al, our guiding light.

We know that God is very near
And we must understand
The happiness that Al has found
With Him in His dear land.

Heads

In English style we have termed our superintendent and principal Heads.

Heads they are! Mr. Babcock has been superintendent of the Grand Haven schools now for fourteen years. Mr. Olsen has now been principal of the high school for thirteen years. Before that

he was Junior High School Principal one year.

We as students know that Mr. Babcock and Mr. Olsen have a friendly interest in us. Their kind encouragement aids us in achieving the goal of graduation from high school.

Prophecy

We shall try to forget, in the time to come, that there is such a thing as failure. But while we start the next period of our life, we shall try to do the things which we can do, better than anyone else, and better than we have ever done them before. Thus, we Seniors will have something to prove; that failure isn't necessary, isn't the way out; but that success is so much more our obligation to everyone who has helped us along so far, and to ourselves, that we shall make it our torch and carry it down the rest of our years with tolerance, determination, and friendship, part of the flame.

Will

We, the Seniors, will our hopes, our endeavors, and what few accomplishments we have made, to the coming Senior Class, that they may enlarge upon them.

Senior Class History

That we seniors, to whom the future is very vital at present, should take the time to look back on past school days, may seem needless. But the very fact that we realize the seriousness of going out into the world is reason enough for us to look backward; for we know that the work we have done, and the friends we have made during our years in high school will have a definite bearing on our future.

We smile now as we remember ourselves as innocent freshmen—one hundred and sixty of us—trembling, trying not to end up in the physics lab. on our quest for first year English class. But we can recall with pride, the accomplishments we made that year. We gave a very successful party to which the whole school was invited. Joan Martin competed against many other talented freshmen and sophomores and won the declamation contest. Joe Karell played on both the football and basketball reserves, and John Maddocks played for the basketball reserves. Pat Lille was our

president that year, and Mr. Thoma was our sponsor.

The next year, spurred by the accomplishments of our freshman year, we resolved to do even greater things. Under the presidency of Joe Karell and the sponsorship of Miss Campbell, we were able to do these things. Joe Karell distinguished himself on the first teams of football and basketball, and John Maddocks made the basketball team. Many sophomores were honor students.

In the autumn of '35 we entered G. H. H. S. as juniors. Just 121 of us had remained in the ranks, even though many of that number were students from Spring Lake and Ferrysburg, who had been added to the list. We were proud of the part that these out-of-town people played in the social and dramatic whirls in both our junior and senior years. With the leadership of Joe Karell and Miss Bower, we made our third year of high school a success. We presented "She Stoops To Conquer," under Miss Edwards' direction that year. We bid

the seniors of '36 a gay farewell at the Junior-Senior prom in June.

And this, our senior year has been the happiest, most eventful of all. Andy Niemitz proved himself an able president. We are grateful to Mr. Thoma for his guidance, and to Miss Edwards for the success of our play, "The Royal Family."

The feeling that we have upon leaving cannot be expressed. It is the crisis which will tell us and the world around us whether we "do or die." As we say good-bye to our successors, and to our teachers, we only hope that, as a class, we have done our part in giving to the school our best efforts and endeavors, and have made it just a little proud of us. If so, we resolve to make the best of our ability while we are out in the world taking our respective places. And we shall always remember our high school days and shall ever be indebted to G. H. H. S. for making them the happiest of our lives.

With this promise, we say "farewell."

The Senior Class

This departing class of '37

Can be surpassed by none;
Although confronted by obstacles,

The battle we finally won.
Andy, our class president

Is in the army now,
Into duty he was sent,

And boy, was he a wow!
In athletics we have Karel,

He was always on the go,
He did his best in every game,

An able leader was Joe.
Then there is a fellow called Casey,

On him the sun does rise,
All honor to the trio,

Of Maddocks, Reimersma, and Wise.
And then we have Paul Johnson

The maestro of Hi Y.,
The club puts on the circus,

And he goes Yipi Y.

We also have our Rubinoff,

His name is Rodney Sharpe,
He played the "Bee" n' everything

On the fiddle, not the harp.
And then we have a Hazel

Who was in the Senior Play;
Although her part was very small

Say, she was okay!

And then we have our Kitty

The queen of the Mardi Gras,
Who beside the giant king,

Made them all say "Ah!"
We also have an annual board,

We made a work of art,
And we will surely get a reward

For doing well our part.
So in concluding let us say,

We seniors will do our best,
To make the class of '37,
Better than all the rest.

Sophomore Class

We, the Sophomore class of 1937 were guided through our freshman year by our president Earl Boiten; vice-president, Billy De Witt; secretary, Virginia Borman; and treasurer, Wallace Van Stratt. Miss Esther Campbell was our class sponsor.

We were represented last year in many activities. Jean Graham, Kathleen Austin, Dorothy De Vries, and Stewart Johnson made high scholastic records.

This year our officers are Billy De Witt, president; Virginia Borman, vice-president; Charles Rycenga, secretary; and Mary Mason, treasurer.

Our student council members are Norman Boomgard and Earl Boiten; and to our sponsor, Miss Cecil Maybee, we extend our deepest thanks and appreciation for her help and guidance throughout the year.

We had many football and basketball representatives with one member on the 1st team.

From our class came two of the school cheer leaders, Bob Collison and Henry Swartz.

In the two years of our high school career, we have received much credit from the other classmen. In the ensuing years we hope to better our record.

Freshman Page

In the fall of 1936 we had our first taste of high school work. Our roll call consisted of 217 students. At our first meeting, we elected Robert Mulder, President; Glen Nygren, Vice President; Tom Bartholemew, Secretary and Alfonso Fortino, Treasurer. Mr. Odle was chosen as our Sponsor.

We were represented in the Declamation Contest by Marjorie Emery, Beulah Peck and Alvin Jacobson.

We joined the various clubs and took part in the social activities of the school. In the spring we gave a Freshman Circus.

We, the freshmen of 1937, feel that our first year in the high school has been a great success.

With its slogan of clean living, clean athletics, clean scholarship, and clean speech the Hi-Y club has proved itself to be an active and distinguishing factor in our high school. The purpose of the Hi-Y is "to create, maintain, and extend throughout the school and community high standards of Christian character."

Activities outside of our regular bi-monthly meetings included an assembly program, checking at numerous school activities, staging a big Carnival, and our Annual Party. In November the largest Grand Haven delegation in Hi-Y history represented us at the Older Boys' Conference at Pontiac. The President represented us at the summer Hi-Y Conference.

Thanks are to Coach Schaubel for his able and willing sponsorship of the club.

Campfire

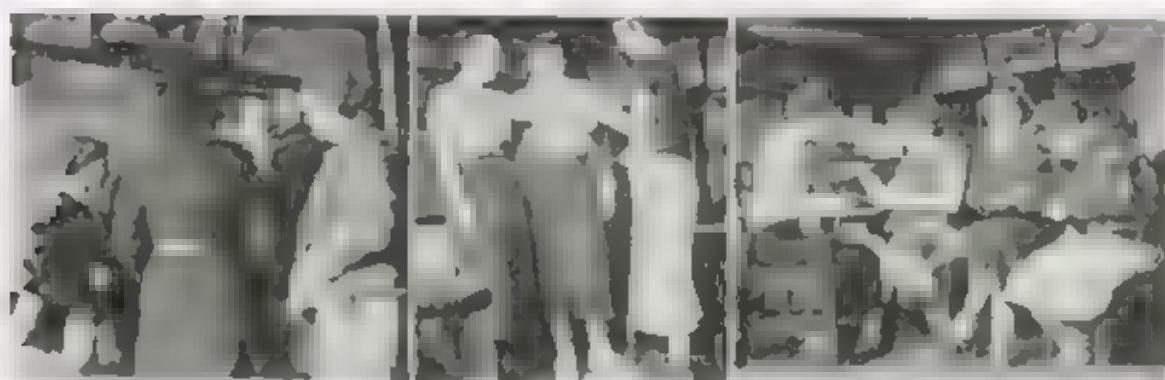

OFFICERS

Anna Rosema	President
Nina Casemier	Vice President
Dorothy Arkema	Secretary, Treasurer
Miss Hattie Young	Guardian

Assistant Guardians: Miss Isabel Smith, Miss Dorothy Kendall

The campfire girls' program each month was devoted to one of the seven crafts such as, October—home-craft. Much time was spent in hikes and outdoor activities.

November—hand-craft. Smoke prints and spotter prints of flowers and leaves were made. Plaques of different designs were made and tinted. In general, the girls work on activities, according to their rank.

Debate

Unusual interest was shown in debating at Grand Haven High School this year. Twelve people volunteered for debate work, the largest squad for several years.

Grand Haven entered the Michigan Debate League and was scheduled to compete in four conference debates. The squad consisted of all new debaters who did very well considering their inexperience.

Besides the conference debates we had several practice debates with other high schools. The Debate Squad sent three teams to Holland to compete in the District Tournament of Western Michigan, and our affirmative team won two of the five debates in which we participated. Our affirmative team also had the honor of being invited to debate against Ottawa Hills in the Grand Rapids Intercity Tournament.

In the spring letters were given to Dan Batev, Arthur Ponstein, Ronald Odmark, Charles Baker, Fred Keller, Lloyd Wiegerink. This is something that has never been done before at Grand Haven.

Other members were, Peggy Batev, Clarence Poel, Bud Schaffer, Russell Blitz, Jane McCrae, John Wright. Miss Edwards was coach.

Although our record was not exceptional, we, as members of the squad feel that we personally have been greatly benefitted by our experience on the Debating Platform.

Forensic Contest

The local Forensic contest was held in the High School Auditorium March 17. Again there were three events.

The Declamations were as follows. Alvin Jacobson, Mirporie Emery, Dorothy DeVries, Russell Fisher, Beulah Peck, and Karl Krompotick.

The Orations: Charles Baker, Marie Ottenstraer and Marvin Den Herder.

The Extemporaneous: Daniel Batey, Fred Keller and Ronald Odmark.

Beulah Peck won first place in declamations, Marie Ottenstraer, first place in orations, and Fred Keller, first place in extemporaneous.

The winners of the local contest were sent to the sub-district contest held this year in Muskegon. The winners receive pins at the end of the year.

Speech Club

From the semi-monthly business meetings the Speech Club has originated decisions of benefit and interest to the Speech Club, and helped to promote dramatics among the high school students.

The club has saved enough money to supply the stage in the Speech room, which is also the room where the club's meetings are held, with furniture.

A new idea in the realm of school productions was put into practice when the club produced short plays at noon for the entertainment of students who eat in the building, and for whom the lunch hour is sometimes rather long.

Book teas were continued, and several one-act plays were produced for the meetings of civic organizations. A Christmas pageant, worked up originally for an assembly in the high school found its way to Central school, and a number of assemblies were constituted of plays put on through the Speech Club.

For the annual Grand Slam, a melodrama originally written by Marba Stap and Roberta Burns, was used to bring the club a place in the final contest.

Under Miss Edwards' sponsorship, this season's progress has been due to a crew of earnest, interested, and hard-working actors and actresses, and inspiration received from the new membership of other students equally as capable.

Band

Under the able direction of Mr. M. F. Richards, and with the splendid cooperation of the Band Mothers' Club, the Band has had a very successful year.

We were busy in the fall with the football games, political parades, and a paper drive. In January we sponsored the Grind Slim. In March, came the 11th annual band concert. In May the West Shore Music Festival held in Muskegon, kept us busy. And again in June we competed in Class "B" competition in the Holland Tulip Festival.

Public appearances included the Senior Play, Grand Slam, and assembly programs. The orchestra also took part in the West Shore Music Festival in Muskegon. Glenn Cliffe Bainum of Northwestern University was guest conductor and critic.

Grand Slam

On Thursday and Friday, January 21 and 22, 1937 the high school band sponsored the fifth annual grand slam. The organizations taking part included the high school orchestra, girls' athletic association, speech club, high school band, home economics club and the boosters club.

On Thursday evening the band won first place and the speech club second place. Both organizations repeated their acts on Friday, but were topped by the home economics club winning first place and the high school band with a close second. The home economics club won first place last year and second place the year before.

The main purpose of the Grand Slam, sponsored by the band, is to help raise money for the necessary expenditures the band needs during the years.

In 1936 we organized the club for the sixth year and began with 40 members.

A potluck supper was held for the first meeting. In October we had our usual all-school party with the football team as our guests. In December a Christmas party was held and fruits and jellies were brought by the members to be given to needy families. In January we participated in the Grand Slam and won first place. In February the members were entertained by a Valentine party and at the March meeting, Miss Dorothy Edwards gave us a very interesting talk on her trip to Europe. In April we were entertained by the Girls' Athletic Association.

During the year we raised money by candy sales and dues.

Our sponsors are Miss Avis Towers and Miss Viva Shell.

The Girls' Athletic Association is made up of girls interested in sports. We meet every other Tuesday for our business meeting. This year the girls who took part in three out of four major sports and attended eighty per cent of our business meetings received letters. We participate in sports such as basketball, baseball, hockey and volleyball.

Blue and Gold

Some twenty people expressed desire for membership on the Blue and Gold staff. There is plenty of work for everybody interested, so every one was taken into the fold, and worked laboriously to maintain the high standards of all previous publications. If you like our book, we are well repaid for all our efforts.

Three Cornered Moon

The junior class selected "Three Cornered Moon," by Gertrude Tonkongy, for their annual play under the direction of Miss Dorothy Edwards.

The play is the story of the crazy Rimplegar family, who have always been used to every end losing all their money in the stock market crash of '29 but who stuck it through the depression.

The family consists of the mother, who invested all their money in the stock market, and the eldest son Ken, who went to Harvard and has an accent and a love affair with Kitty, but who finally becomes human and works like the rest. Then there is the only daughter, Elizabeth, who is first in love with a day-dreaming novelist, and then with the family doctor. The two other sons, Doug and Eddie also go to work.

The Rimplegars have quite a time in their fight against the depression, with Eddie starting a small Donut shop with them. With the help of Alan Stevens, the doctor, they win the battle, so every one is happy ever after.

The Royal Family

December 11 and 12 were red letter days for the seniors. Their play, "The Royal Family" was a riotous success, and why shouldn't it have been, with such a dynamic cast, a willing staff of efficient workers, and excellent directing? The class set the town rolling with laughter at their dizzy, stage-struck royal family of the American stage—the Cavendishes.

There was Fanny, who was seventy-two years old, and a past which included every role from Shakespeare's Juliet to Anderson's Mary of Scotland. There was Julie, a tempermental and busy person whose life was a mad mania of tragedy, comedy and drama all in one. There was one son, Tony, crazier, more tempermental and even more high strung than the rest, and always drowning in hot water. And who will forget Gwen, the young, daring and beautiful, tyrant daughter,—? There was Kitty, the troublesome lower-class actress, and her husband, Bert, who was Fanny's brother. Oscar Wolfe, the family manager, tries to keep the family straightened out, but with great difficulty. The only sane people in the play were the housekeepers, Della and Joe.

"The Royal Family" will live on and on in the hearts of the seniors, and will never be forgotten by their friends who saw the play. It was a success in every respect.

Boosters' Club

The purpose of the Boosters' Club is to promote social activities in the school. Miss Hurst is our faculty adviser and there are about twenty-five members in the club this year. Since our main projects are school parties it is necessary for the work to be done in committees of about five members each. Candy sales after school are the main source of funds.

The biggest event in our year is the annual Mardi Gras party given sometime in February. Costumes and more elaborate entertainment and decorations distinguish this affair from all others. On December fifth we gave a Christmas social hour which attracted a great many students. The social hours are popular with the student body and the price is comparatively small. Everyone in the club has enjoyed working on the projects.

We entered the Grand Slam in February and though we didn't win a prize, it was a lot of fun.

Student Council

The student council this year has a definite time each week to transact business for the benefit of the student body. At these meetings we formulated plans for a dancing class under the direction of Miss Anderson and Mr. Schaubel, the Varsity Club, the Nature Club and a student employment bureau. Having once again started to be an active group, we hope all the future Student Councils will increase student council activities.

The Nature Club of the high school was formed the last semester of this year with Mr. Odle, Biology teacher, as sponsor. Up to the time this article was written, two hikes were completed. The first journey was a trip to Rosy Mound, south of Grand Haven. The second hike was in the opposite direction, on the North Shore, in the vicinity of Dewey Hill.

The club during the week is divided into sections according to the student's interest. One group is interested in Nature Photography, others study Topography, some are interested in Taxidermy.

The G. H. Varsity Club, organized by the members of the athletic teams, meet every two weeks. The purposes of this club are: to promote good sportsmanship in athletic contests, to develop and maintain a high standard of scholarship, and to bring about a better and greater Grand Haven High School.

Any varsity player may be a member of this club, also any ardent supporter of "G. H." athletics may become an honorary member. All coaches are honorary members.

One money-making project sponsored by the club was a basketball game between the High School Varsity team and the Texacos, city champions.

Although it has been very hard to organize a new club of this sort, the members feel that with much cooperation the club will be a permanently successful club.

Banking

Banking in high school, altho with lower percentage of deposit than the remainder of the system, has been fairly successful this year.

A report from the bank one week for the whole system shows fifty-two per cent of the students were taking advantage of banking privileges. The balance was more than \$13,000 which is an average of around \$13.50 for each depositor.

By conscientious saving through the grades and high school, some students have accumulated enough to give them a good start towards their college education. Others, though not saving so much, have formed valuable thrift habits.

Havenite

With the beginning of the school year in September, 1937, the Havenite Staff was chosen from a number of try-outs by Miss Aurelia Verduin, faculty adviser.

The staff worked together splendidly and endeavored to make the paper of interest to every student. These people have proved capable and industrious issuing the school paper for the first time in several years.

Latin Club

The Latin Club was organized a few years ago as a help to Latin students in setting their Latin knowledge to work. During the year plays are put on, stories and customs told, Roman songs sung, and Roman games played. The club is open to all first or second year Latin students. The sponsors are Miss Glee Fosler and Miss Hattie Young.

Mardi Gras

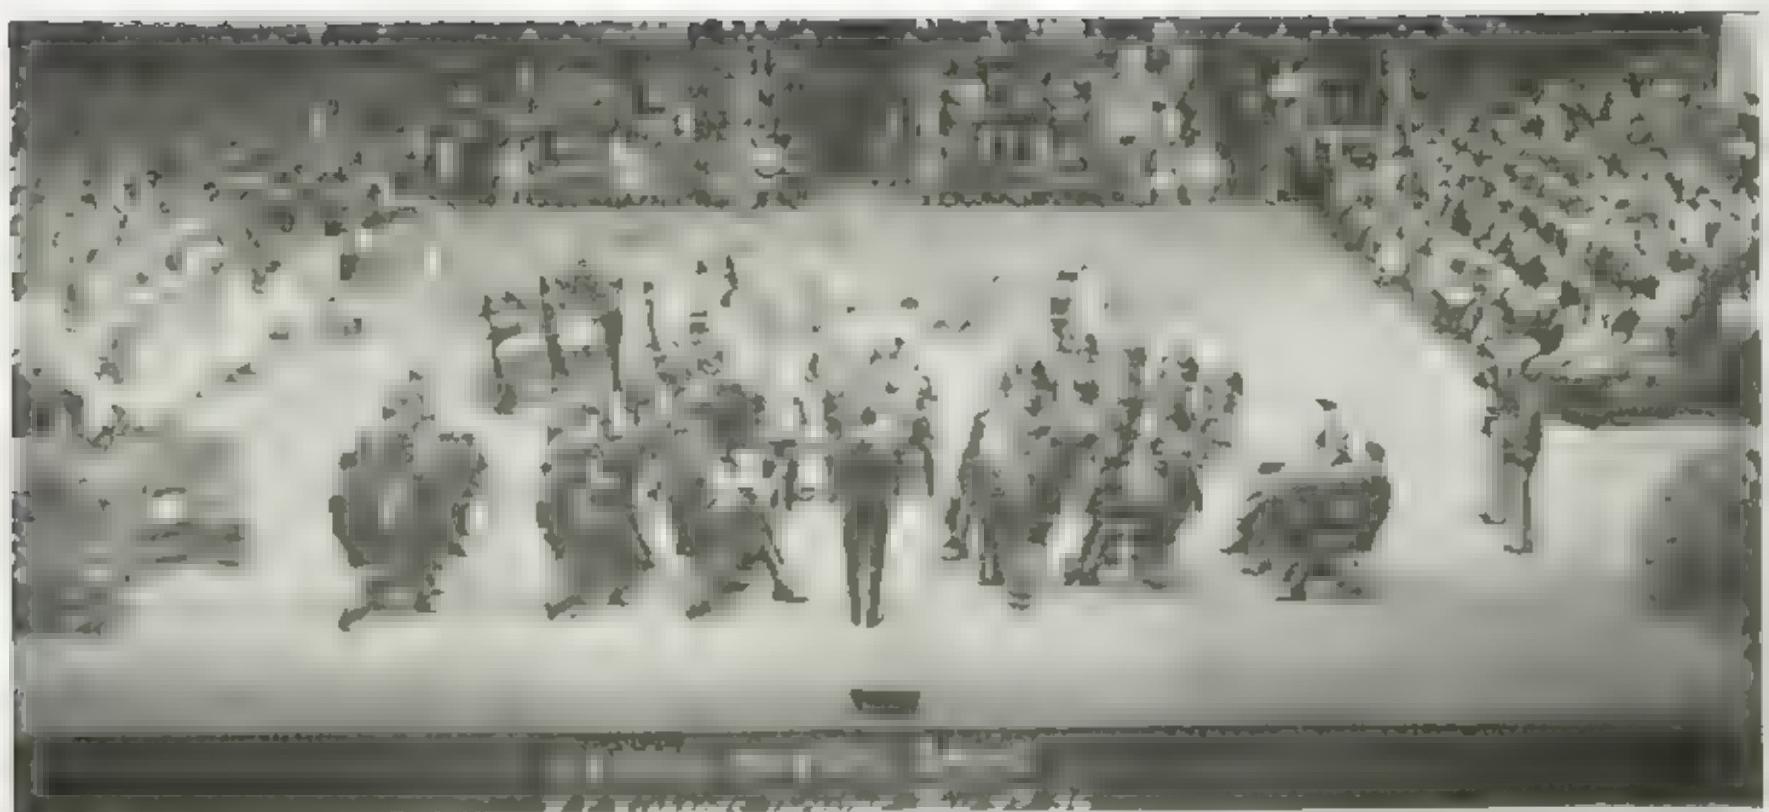

The Boosters' Club, on March sixth, put on its annual Mardi Gras, with success. The decorations were streamers of all the colors of the rainbow, very cleverly arranged in the gym, and soft lights. We also had, for the first time, confetti and imitation snow balls.

The elected King and Queen were Paul Johnson and Kitty Barden. Members of their court were Marge Crouse, Mary Jane Peterson, Arlene Fox, Eleanor Carlson, Marian Shinn, Marba Stap, Roberta Burns, June DeVries, Clifford Wise, David Johnston, Charles Baker, Leon Boyle, Les Van Tol, John Maddocks, Joe Karel and Fred Keller. The King, Queen, and Court were in formal dress, while everyone else came in costume.

For the floor show, Helen Van Woerkom, played the piano. Little Lois Alkema and Leonard Arkema did several clever tap dances and Wally Van Stratt got a laugh when he sang and played his guitar.

There were prizes for the best costume, the most original, and the funniest and these were won by Marge Meyers who wore a grand complete Indian costume; Russ Vander Veen who wore a boy scout suit with a knap-sack and everything you could imagine tied to his belt, and Miss Bower who wore a farmer's outfit, complete even to the hay in her pocket and the grass in her teeth.

The second group of prizes was for the dart throwing contest won by Marvin Den Herder, guessing how many beans in the fish bowl, won by Bob Hannum, and the raffle won by Eugene Roth. There was ping pong, occupied all night by Esther Kieft and Wally Van Stratt.

West Shore Music Festival

The 1937 West Shore Music Festival was held in Muskegon, at the Central Campus Auditorium. The guest conductor and critic for this year's festival was Glenn Cliffe Bainum of North Western University. The schools from the following cities took part: Ludington, Holland, Muskegon, Muskegon Heights, North Muskegon, Grand Haven, Hart, Shelby, Fremont, and Whitehall.

The program of the week was as follows:

1. Wednesday, May 19th—Glee Club day.

On this day all the different Glee Clubs offered their individual numbers. To climax this evening, the massed Glee Clubs under the direction of the guest conductor offered several numbers.

2 Thursday, May 20th—Orchestra Day.

On this day each orchestra of picked players from the different orchestras, offered several numbers, playing under Mr. Bainum.

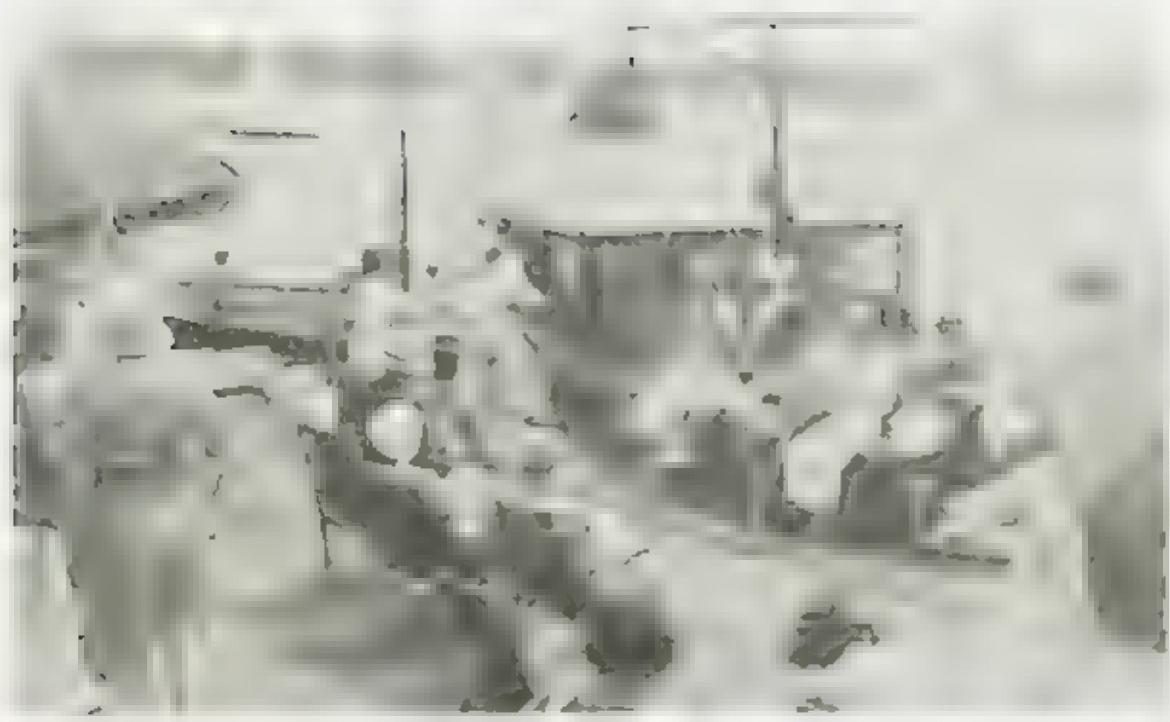

3. Friday, May 21st—Band Day.

On this day each band rendered their own numbers, and to climax this program the selected band of picked players from the different bands, played several numbers, conducted by the guest conductor, Mr. Bainum.

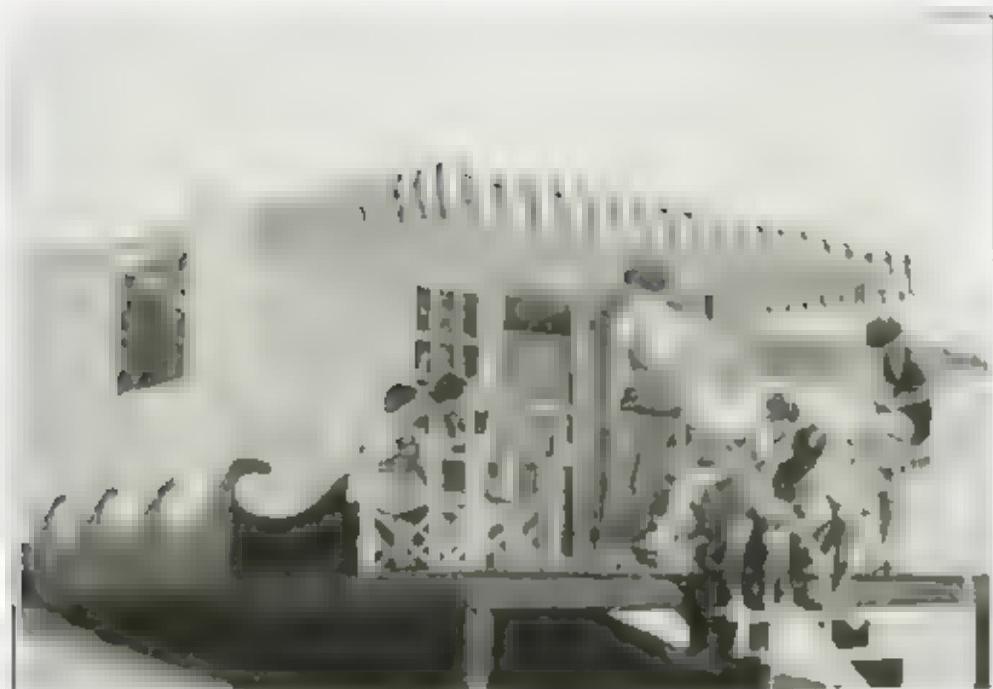

This program is the most colorful of the week with many styles and colors of uniforms exhibited. Band day is always the last event. Many times the audience numbers over two-thousand people. This program climaxes the festival.

Honor Banquet

Once again on May twenty-third, the Rotary Club Members of Grand Haven held an Honor Banquet for the high school students who had at some time during the year made the high record necessary to have their names entered on the honor list for the month. Some students made such a record every month. We think this is a very fine venture on the part of the Rotary Club. In such a way Grand Haven recognizes scholastic attainment and places in distinction those who are deserving such merit.

Football

DOWAGIAC—Meeting Dowagiac, an aggressive Class B team, in the season's opener, our Blue and Gold Ramblers showed both offensive and defensive strength by winning 19-6. A blocked kick and touchdown by Bob Bennett in the closing minutes of the first half, after both teams had scored, paved the way for our ultimate victory.

GRAND RAPIDS CATHOLIC—The Havenites bowed to Grand Rapids Catholic by a 21-13 score. After enjoying a 13-0 lead in the third quarter of that disappointing but novel night game, the locals could no longer match the power of Catholic's strong team and lost by a single touchdown.

MUSKEGON—Muskegon's Big Reds proved that they were S. W. C. champion contenders by trouncing Grand Haven 29-0. This defeat was no disgrace as the Reds piled up just as decisive scores against their opponents in every game.

KALAMAZOO—With a smashing offensive drive, ending with a touchdown pass from Wile to Weber in the second quarter, the Ramblers scored the touchdown, with the extra point from Nietring's educated toe, that defeated Kazoo for the first time in the history of our football competition. A penalty against the locals led to a Celery City boys' touchdown, but the all important kick after the touchdown was blocked. Score: Grand Haven, 7, Kazoo, 6.

BENTON HARBOR—Suffering a letdown, the Havenites took the short end of a 25-7 score from Benton Harbor, a S. W. C. team. A blocked punt by Bennett gave the locals their only score.

DAVIS TECH—Avenging the smarting defeat of the previous week, the Ramblers hit an aggressive stride and took a strong Grand Rapids Davis Tech aggregation by a 6-0 score. A heavy rain and thick mud hampered both teams and caused much fumbling. Only a few loyal fans braved the weather.

PLAYING THE GAME

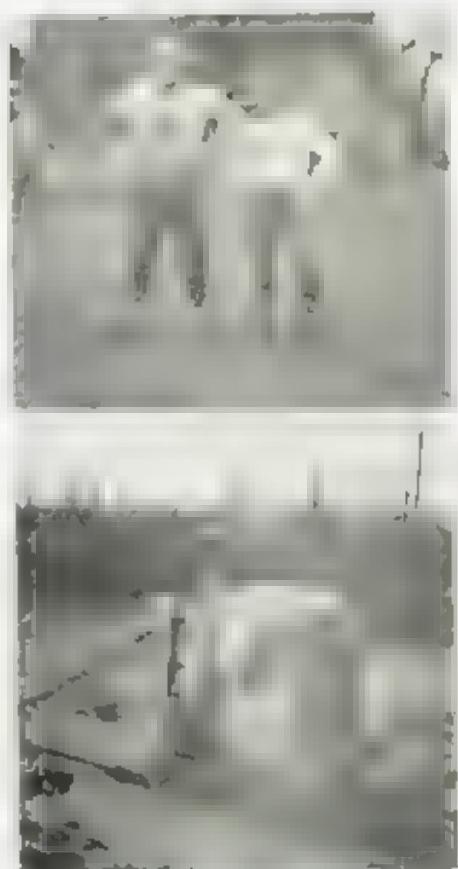

ON THE PRACTICE FIELD

MUSKEGON HEIGHTS—Rising to the height of glory, the Blue and Gold Ramblers smashed and battered a 7-0 victory from the famed Muskegon Heights Tigers. Punts, plunges, passes, and penalties put the ball on the 1 yd. line and Weber scored on a line smash. Nietring converted. This was Heights first Conference defeat in four yrs.

HOLLAND—The locals earned the title of "county champions" in downing Holland 20-14 in one of the hardest and best fought games of the year. The Dutchmen were unable to stop the Ramblers clicking pass offense which led directly to our three touchdowns. We completed 12 out of 15 passes and the Hollanders seemed dazed at their accuracy and rapidity.

Reserve Football

Mr. Keith Odle, football mentor of the reserve squad for the first time at Grand Haven, turned out a team that was light but eagerly aggressive.

Although they lost five games and tied two, they may well be proud of their defensive record. No opponent was able to get more than one touchdown per game. Two games ended nothing to nothing.

We of G. H. H. S. appreciate their showing and hereby commend their untiring effort.

Coach Cohrs

Meeting Fremont in our season's opener, the high school cagers coasted to a 38-18 victory.

Coming against tough opposition for the first time, our unprepared Blue and Gold team lost by the close margin of 27-30. Ottawa Hills of Grand Rapids, a class A school, were our opponents.

Jackson, another class A school, suffered defeat at the hands of our revived Cohrsmen. The score: 35-21. A worthy revenge of the previous week's defeat.

The Ramblers took the Height's Tigers into camp very handily by a 33-19 score. Maddocks was high scorer as usual.

Suffering the first Conference defeat, our cagers worried a very strong Muskegon team by keeping the victory margin small. Score 14-21

The Holland Game! The closest and best played game of the season. A goal by Joe Karel in the last 10 seconds of an overtime game gave the Cohrsmen a 27-26 victory.

Flated with the victory over Holland, the Ramblers easily took Benton Harbor, 34-25. The second game scheduled with Benton Harbor later in the season was called off due to a scarlet fever epidemic which took the coach and a number of their players from active participation.

The City league champions, Texacos, bowed to our boys who were back in old form again. Score 20-15.

The "subs" were called into action in this game with Ionia the latter half as we coasted to a 36-28 victory.

The victory over Ionia entitled us to meet Grand Rapids Christian, the strongest class B team in Grand Rapids and rated equal to any Class A school there and gave us an 18-16 victory. This game gave G. H. its 15th consecutive Regional Championship and another trophy.

Entering the quarter-finals, G. H. met St. Joe. Another tight game. This time however, the score, 20-22. A fighting finish for a fighting team.

Reserve Basketball

Bill De Witt, Donald Miller, Bob Pellet, Russell Baltz, Russell Wierenga
Leon Boyle, Frank Fett—Captain, Charles Rycenga, Walter Van Stratt

Second Team Basketball

The Second Team cagers, under Mr. Bosworth's supervision and led by Captain Frank Fett, experienced one of the most successful seasons ever seen here. Only one game was lost in the season's play and that at Kalamazoo. (That game was avenged on their second meeting on our floor). Extra credit should be given to these boys for their impressive record considering the fact that there were no seniors on the reserves this year. More luck to you next year fellows!

Tennis

During the past eight years under Mr Thoma's tutorship, the Grand Haven tennis teams have figuratively "brought home the bacon" in the form of six Conference titles, six Regional championships, three State singles championships and two State doubles championships. We heartily expect this year's team to live up to Grand Haven's past tennis record, and along with our good wishes, they are being given two new courts which should aid them considerably.

Golf

In past years it has become almost traditional that the golf team be composed of Spring Lakers and this year again the Villagers are main cogs in our team, coached by Mr. King. This fact pleases Mr. King since he doesn't have any trouble getting the boys out for practice which is held at the Country Club in Spring Lake. Last year our golf team reached the State finals before being eliminated.

Baseball

Experimentally taking up baseball in the place of track, Grand Haven is the first South West Conference school to make hardball a major sport.

Coach Cohrs, working with a group of green boys whose only assets are ambition and undeveloped ability, faces a difficult task in building his first team; however, we are confident that as great teams will be turned out in our Grand Haven baseball future as have been produced in our football and basketball past.

Girls' Athletics

After school games for girls are played during the entire year on the average of two afternoons a week. The games played this year were: Hockey, Volleyball, Basketball and Softball. Track is being introduced and it is hoped that more people will turn out for it next year. Although we do not compete against other schools, the intramural competition has been keen all through the past year.

After our mixed team games of basketball we had a class team tournament in which the Seniors and Freshmen drew honors.

All girls are invited to join in our activities in the coming year.

Ruth—"Do you still run around with that little blonde?"

Ken—"She's married now."

Ruth—"Answer my question!"

Landlady: "I saw the milkman kiss you this morning. I'll take the milk in myself after this."

Co-ed: "It won't do any good, ma'am, he promised to kiss nobody but me."

Helen—"How were your pictures for the Blue and Gold?"

Bob—"Terrible!"

Helen—"How do you account for that?"

Bob—"I don't think good-looking people take good pictures."

"Unique"

Bubs Burns: "My hands are cold."

Boy Friend: "Here are my gloves."

"Whose mail is that lying in the front hall down-stairs?"

"Why you scrog! The only man down stairs is my date and he's sitting on the davenport like a gentleman."

New dancing teacher: "You'll have to mind your feet if you want to Rhumba."

Stude: "Never mind the footwork; just teach me the holds."
